HEDGEHOG TUNNEL RECORDING SHEET

Please use the species recorded section to indicate species of foot prints
- No prints = - ; H = hedgehog; C = cat; R= rat; M=mouse, U = unknown; Please write any other species written in full. Please note that the prints of more than one species may be present (e.g. H + R).
- If bait has NOT been taken please indicate with a cross (x); if bait has been taken please indicate with a tick (√).
- If a tunnel is disturbed or destroyed please write LOST in the footprint column for the respective day.
- Please replace white paper everytime footprints are recorded
- Tunnels should be checked once or twice per day if possible

Tunnel Co-ordinates:

Date tunnel was first placed:

Date	Time recorded	Footprints present? (x or √)	Bait Taken? (x or √)	Species recorded (-, H, C, R, M, U)	Notes
